

# Redirected Parking Information

1. Follow the directions on the map to Focus Car Park.
2. Choose the middle lane into the car park which will take you directly up to level 3 and the Gothia Towers Focus Parking Section.
3. If you provided your car registration number when booking, drive slowly up to the barrier and it will open automatically. If you have a ticket from the hotel, use it to open the barrier. If you have none of the above, press the "phone/help" button at the barrier to be admitted.
4. Please note, it is important that you only park your car inside the Gothia Towers Guest Parking Section. If you park outside the fenced section, you will risk getting a parking fine.
5. 123456 will be used as a code to open the gate when you collect your car. If you have a ticket, please scan it.
